Introduction

Pastor Shahzad Soni son of Pastor Waris Masih Founder and President of Christian Preaching Church Gujranwala Pakistan (R)

Pastor Soni is living in Croatia Europe serving Lord more than twenty years.

Graduate in English Literature and B.Th. in Theology.

Pastor Soni, has authored many books one of his amazing books is the book about his prophetic dreams which came to reality. God even gave him dreams about the death of the people and they died. But through the warning message then they repented before dying and accepted Jesus Christ as their personal saviour.

Pastor Soni, has written few Christian movie Screenplays you can contact with him for Christian movie Script and Screenplay.

Pastor Soni, has been called to encourage and expose and reprimand the Pakistani Church that's why in his life he had to change so many cities and countries to save his life to write the truth about Pakistani Church and Church leaders Pakistan.

This book is going to deal with few reasons behind the spiritual blindness of the Pakistani Church.

The way Pakistani church has magnified/extended its dark lobby or Church mafia its beyond the explanation. Its dangerous to expose these wild nature people and to advise these opportunist group of people and program or meeting mafia. Pakistani Church is a Church which prefer wickedness over righteousness. These people are always hungry and worried about social values as compared to spiritual blessings.

They are master to twist the simple words and conversation into confusion to take advantages from the others.

I had many dreams in those dreams I was commanded by God to preach the truth and write it for the generations so that I shall not be accountable for their blood by not telling them the truth about their wicked character.

This book is non-fictional.

This book is going to give you the deep knowledge that how to deal with the Pakistani Church.

In Pakistani Church there are many intruders and very few true men of God. This book is an honest portrait of Pakistani Church and Church leaders.

I will keep writing the truth if they accept it or not.

Ezekiel 3:18-19

18 When I say unto the wicked, 'Thou shalt surely die,' and thou givest him not warning, nor speakest to warn the wicked from his wicked way to save his life, the same wicked man shall die in his iniquity; but his blood will I require at thine hand.

19 Yet if thou warn the wicked, and he turn not from his wickedness nor from his wicked way, he shall die in his iniquity; but thou hast delivered thy soul.

Spiritual blindness of the believers in Pakistani Church

Wicked/unrighteous desires of heart,
blind the spiritual insight.

People sing the praises of God's name.
But they worship their own ego and fame.

Why today's Pakistani church is spiritually blind and ungifted?

Luke 6:39

And He also spoke a parable to them: "A blind man cannot guide a blind man, can he? Will they not both fall into a pit?"

I told them truth; they said I don't have mind.
Pakistani church is egoistic and narcissist blind.
(Egoistic self-seeking narcissist self-centred)

Its heart crushing to see the condition of Pakistani Church. Well let's start from the top leadership of Pakistan.

I have been preaching the Gospel more than twenty years and I am properly in ministry more than twenty years. and being the son of a Pastor since my childhood I saw church leaders at my house very often visiting our family for to organise the big open-air meetings for the preachers from foreign countries and for the local preachers from the different cities of Pakistan. With my father and mother, I was also very active to help in anything. Like cleaning the ground for the meetings, giving water to drink and food to the preacher guests and at the end I get one opportunity also to sing on stage. Even today now we serve the church leaders and we have dedicated one room to host the any man of God. So, what I am going to share with you its **non-fictional**.

According to the Bible we follow the command that we should be hospitable. And we happily server the men of God even though if they come to us without invitation/appointment and we serve the stranger also according to the word of God. As soon as we get the knowledge that he is a servant of God. Well, I

brought up in a such kind of spiritual environment we have learned to serve others, and if someone is a man of God then he deserves double honour according to the word of God.

Now let's know something strange and interesting about the leaders of Pakistani Church.

Church closed eyes and Pastor took away the money.

Story name: Before that prayer got finished.

I grew up among the church leaders. I had huge respect for the pastors well during that time of my childhood one story came into my life. That one of our area pastors once stealthily took away the offering of service when people were still praying, and their eyes were closed.

People took it very lightly and I heard with my own ears how that Pastor took the offering/tithe of the service when people were still praying with closed eyes. In Pakistan mostly people close their eyes during prayer.

This story was funny, but it had very bad impact on the people after this that pastor lost respect and dignity among his church. But Pastor never got changed.

Now little about Pakistani Church or about the people.

Mostly Pakistani Christian are not rich they are labour class people uneducated full of ego and pride. They listen the word of God but never try act upon this living word of God.

They hate to be merciful to each other. In Pakistan very few people have learnt to give for the work of God. That is why it's a mindset here to keep the eyes on the pocket of others. Very few people have learned to be independent and smart but then they also become so much prideful they begin to disrespect God's living word. To be honestly its very complicated to define their masquerading/disguising/deceptive nature. That's why you see thousands of people attend the conventions or meetings of foreign and local preachers but there is no change in the lives of these people. No change spiritually and no change in their social life.

Pakistani Church is the brand Ambassador of disunity and selfishness.

These people are the master to defame each other. And these being poor have the most important thing in their lives their **ego and pride**. Most of them worship their ego and pride.

Missionaries all over the world sent so much money for the evangelism and for the work of God. But there are very few people out of millions there are hardly 10 people so immersed in God. And until now 2024 like **Sadhu Sunder Sing Ji** not a single strong man of God has emerged in our Christian church of Pakistan.

If these people have money, then they don't need God.

If they don't have money, they don't need good advice but money.

There are very few who are humble and blessed with the gifts of God, may be hardly 10 people in whole Pakistan. I am so sorry to tell this harsh truth but that's the reality.

Pakistani church is not agreeing to remove the scales of ego and pride. Well, you may be thinking how these poor people can be pride.

I have seen in my life if a poor person has little money, and a pastor comes to teach them the word of God. These poor will begin to tell the pastor we earn the money with our own hands, so it's our worship and we are the best and we don't need advice. These people like to watch TV. They like to play cards; I have seen with my own eyes where there are Christian slums you can see the older fool brat men of the family playing cards. After their daily work what young men do after work and when they don't have work then read next.

Well as they come back home from work or after playing cards or gossip with friends outside. and if someone come to teach them the word of God, they do not have time and these old brats as house head will control the house activities. And especially sometimes not allowing to true preachers to teach and preach them. But these old brats play cards watch television. Most of the houses are controlled by the head of the family. These old men are ungodly not easy to teach them. Because people become prideful of everything here. Well in Pakistan if an older man wants to reject your solid true reasons, he will use this sentence (listen young man I have grey/white hair and I have more experience of life than you) here in Pakistan people use poverty to be prideful they use grey/white hair and wealth education to be prideful. That is why for centuries these people are not blessed socially and spiritually.

Prejudice, jealousy, envy, social decadence, roaming around in the streets and sitting on the street gutters and sitting on the house doorsteps on the front door to look at the passer by men and women is a culture and daily life routine of a young men and children in Pakistan. And they use internet and smart phones to entertain on the gutter or on the doorsteps of the house of neighbours or on the steps of their own house. And older men play cards or watch tv or go to their older nasty friends for gossip and all these older and young people have no interest to read Bible or read any spiritual book. Even though now a days no one can say that they cannot read because now a days we have audio Bible even in Urdu Punjabi languages. But these nasty people just want to follow the desires of their hearts and they don't have time to sit in the presence of God.

Pakistani church and the church leaders are receiving probably thousands of dollars from foreign countries for the spiritual growth. But the church doesn't even know the moral values of social life.

In Pakistan mostly people steal and fight on regular bases fight with their neighbours. Children and all the people in their lives learn to practice fight and debate first with their neighbours.

People here fight with their neighbours on little things and in the world their first enemy is their neighbours, these people compete all the times in everything with their neighbours. May be few people will be different but, in most cases, these Pakistani people are the bad neighbours. I have written one stanza for on neighbourhood.

Stanza:

It will be the first day of your worship to God.

The day, you will stop glancing at neighbour's house without his permission.

In Urdu:

Teri ibadat ka wo pehla din hoga

Jis rose begher ijazat tu parosi ghar na dekhey ga.

Social decadence and selfishness

is an environment where Pakistani church is living and growing.

So, how much spirituality and spiritual fruits you can expect from them?

The Church has a big warfare against the enemy, but the church is so much busy to worship their own ego and prejudice etc.

To fight with the enemy is my duty.

Alas! I am stabbed by home my beauty.

In another book I will explain this stanza.

Corruption of Pakistani Foursquare church leaders.

I would like to explain that I like to write about that what is my personal experience with Pakistani Foursquare church pastors, so please don't take it wrong that I am talking against Foursquare Church not at all. I believe all the churches have great intentions to be awarded with the great position in spirituality. Its sometime ruling leaders who violate the basic laws of Church and spirituality. I am going to write what I experienced and what I know exactly just about Pakistani Foursquare Church Pastors.

In 2005 I heard that Foursquare Church sent support for the Earthquake victims as you all know that in 2005 Earthquake hit Northan Pakistan there was huge scale aftermath. So many people lost family members and there was great property damage too.

FMI "Foursquare Mission International" sent aid for Pakistani Earthquake victims. FMI assigned this amount into the hands of local Pakistani Church leaders. These leaders devised/created a very cunning idea to engulf this amount by dividing among themselves.

I know all these Pastors and Church leaders, but they are very dangerous and so rude that they can plan to kill me I would be in Pakistan. Thank God I am not in Pakistan, and I am out of their approach.

Pastors' cunning plan to rip off the money.

They all together planned to divide the money among themselves. And they created a reason tricky reason to Gorb /wolf down/ eat greedily half of the money.

Pastors' crafty reason to pack away the money.

The all decided to prepare a statement as the FMI director or Chairman will ask them about this robbery.

They confirmed as the higher authorities are going to ask them about this amount, we will tell them we have our church buildings to repair. Well, those people who are Earthquake victims they are mostly Muslims, and we can give them half of the money and rest of the half of the amount we can use for our churches.

FMI had love for all the humanity, so they sent aid for the earthquake victims regardless of their caste colour or religion.

As FMI got information about this corruption, they summoned all the Pakistani church leaders.

They held meetings to figure out the matter and at the end they proved that Pakistani Pastors misconducted/mismanaged that amount of money.

After that these Pastors again tried to restore the FMI again in Pakistan, but they got failed because of their disunity among the church leaders.

Why do I know all these facts about restoration because one the swindler Pastor was not so much educated asked me to write emails for him. And I with my own hands wrote many emails to regional director. I attend two meetings in Lahore for the restoration of FMI in Pakistan. These Pastors were even though using me too they took me with them for the translation, in this way I got all the knowledge about their crafty plans.

When FMI saw the disunity among the leaders then FMI again showed the red flag. Among all these church leaders there were some new and few older rogues.

Pastors didn't repent.

These leaders did not stop here. They didn't feel remorse and guilt. They took one more devilish step to destroy the body of Christ.

They began to fight on the name and name registration, they filed case against each other. One Pastor was from Karachi, and one was from Islamabad. Now they were trying possess/control the name "Foursquare Church" in Pakistan. They sued/took legal action against each other. And one of the Pastor won the case.

The wolfish Plan/motive behind to do all this act was this only, to make FMI bow down on their knees to beg this Pastor to retrieve the name back into the authority of FMI if FMI wants to work in Pakistan. If FMI (Foursquare Mission International) denies to this Pastor that they do not want to work with this Pastor, then this Pastor will not allow them to use this name because in Pakistan for this name this Pastor has legal rights to use it only or through him because he had registered it on his name and won the case in court already.

How bad our Pakistani Pastors can think no one can compete with them.

Urdu Stanza:

So rahy hain qabrastano main tha jinko fatah jahan karna.

Her dor main mushkill hota hai apni khudi qurban karna.

Stanza:

They are sleeping in the graveyards, who were to conquer the world.

It's very difficult in all the ages to sacrifice yourself.

My personal bad experience with my Pastor friends

I was young man I trusted all the pastors and I like to have fellowship with pastors I thought I can learn more deeply about God by serving these Pastors.

I had some Pastor friends of my town; they were mostly 8th or 5th class passed.

I was learning English in 2005 until 2012 I had learned much to write emails and speak and understand English quite good.

All the Pastors were trying to find donors and I was also one of them too. In Pakistan we are being Christian face so many problems. It was a very good resource to find out brothers and sisters around the world and to send them tons of messages about ministry works and writing of emails. Offering them the visit to Pakistan and build the church in Pakistan and to do some charity with bricks maker Christians.

I was praying for a prayer room I had no payer room not my own church place it was very difficult for me to arrange the Sunday service for the people.

After so many years of prayers and fasting God answered my prayers. I sent one email to an older woman in Greece. She was very devout Christian I called her mother because at that time she was I think 70 years older. God poured into her heart, and she talked with her church and the church began to help me.

Then I requested to them to help me so that I could build a school and a church. They sent me money and I built a school and church.

Now cut to the short story:

Wicked plan of my pastor friends

As my Pastor friends saw that I purchased land and I began to build the church, they conceived/made an evil plan to find out the resource of my donation and they planned to find out all the details about my donors.

I used to take these pastors in restaurant to eat good food. I supported these pastors. I gave them so much time to teach them English language, because it was their desire to become international beggars because without knowing the English language they can't beg or work properly anyways.

I put the delicious food into their mouths,

But they were cooking criminal plans with their thoughts.

My friends executed/performed off their devilish plan.

It was the test of my faith and integrity, my regarded mother from Greece asked me to find some deserving Pastors from Bangladesh and India, Because the Church heads in Greece decided to help the India Pakistan Bangladesh Church Pastors.

I had not at that time any friend Pastor from India, then I asked from one of my close friend Pastor Gehazi that do you have any Pastor friend in India? he said yes, and he told me about Pastor Samson from Punjab India. I gave the contact

details of the Greece Church. Pastor Samson from India sent them email and then Church from Greece sent to Pastor Samson support for the Church.

Now thievish/piggish nature of my friend overpowered on him and led him to kill the trust of me.

My friend Gehazi narrated a false story to Pastor Samson, that he has lost the contact details of the Greece church so would you like to give me contact details. Pastor Samson gave him contact details.

Then my friend and some more friends of my town they were also my friends made united/joint plan to mislead my regarded mother and all donors from Greece. They sent email. And mother sent that email to me. And I was shocked, and it was the lethal attack on my trust and emotions.

I asked to Pastor Samson why you gave him my donors contact details? even though I guided you not to give that contact.

Then Pastor Samson replied, Pastor Gehazi told him that he had lost contact details of the Church donors of Greece now he needs that, so on this I gave him all the details of the Greece Church donors.

I don't know if Pastor Samson was telling the truth, or it was combined plan to do this predatory business practice, but they did this.

My friends again made an evil plan.

I didn't take revenge from no one, but I changed my city. Because as I proved them wrong.

Then they made nasty plan to attack on my character and defame me in my town.

So, there was a Group of Pastors, in this group were, my close friends Pastor Gehazi, Pastor Lot, Pastor Darzi, Pastor Mina. Mina was not my friend, but he was the friend of these Pastors, they all created lobby to attack on me.

Devilish plan of my Pastor friends

I intended to forgive all these my Pastor friends, and I was planning to shift in other city.

I was little relaxed after this wound, and I was thinking that these pastors might be feeling regret, so I behaved more politely with them. But jealousy malice was in their hearts and blood.

Pastor Darzi invited me to his rented house and asked me for help, I was fool and innocent. I regarded my enemies again as my friends because I was young at that time. Well as I was at his rented house, he asked me to help him to write email for him. In my mind was like this they don't know much English that's why they need genuine help, so I was trying to help them with innocent truthful fool heart.

As I was about to long in into the Gmail account, I asked to Pastor Darzi please enter your password. He said I tell you the password you can enter it no problem

you are a trustworthy man. I said no sir please you can enter it because it's the matter of privacy. He urged me and then he told me the password and I entered.

I never remembered his password. I wrote his short email sent or not I don't remember now this part.

After this very quickly he said now we can dismiss this work today I will invite you again as I would need your help. I went back to my home, after few days later Pastor Darzi invited me and asked me again to help him by writing his email. I went there and he was angry and showed me that Gmail ID and on the Gmail ID profile, there was my picture on the Gmail Profile.

He said to me I did this wrong to him. I said sir I didn't do this why I will do this. He was angry and even though on some occasions he abused me. We little debated and I came back to my home. After this they spread the words in town like wildfire that I scammed Pastor Darzi. As words came to my knowledge, I told them. Listen dear Pastors, you cannot make me fool, because if I put the picture on your Gmail profile it will show the IP Address and location and timing also. And if you got proved wrong this time, I will take legal action against and I take you all to court.

On hearing this they all got calm down.

But they became very successful to defame and assassinate my character in my hometown and city.

One another proof I found that, the man who had my videos of leadership conference and still pictures he told me that Pastor Darzi came to him to take your pictures from him.

That movie maker thought we are friends and it's no problem if one Pastor is asking for Church leadership Conference pictures movie maker happily gave to Pastor Darzi my pictures. And he used one picture on his Gmail profile to make a bad story about my character and dishonesty to defame me in my town.

The reason was that Pastor Darzi introduced that movie maker to me. Pastor Darzi used one of those pictures to put on his Gmail profile to create this false story of accusation to make my name bad in my town. And they succeeded and I left that city Gujranwala and I shifted to the capital city of Pakistan only because of my Pastor friends.

After all this pathetic horrific drama I forgave them, and I changed my city I lived many years in capital city of Pakistan Islamabad, then I went to Dubai and then Oman and now I am living in Europe.

Well after this I think no one else will be my prime enemy but these Pastors and their children. I have told the truth. It's a general behaviour of a Church leaders.

And If I will tell you explain to you about people behaviour you will experience something surprizing.

Conclusion and critical analysis Pastors' life in Pakistan.

Pastors of Pakistan never submitted themselves to the Holy Spirit. They ignore the word of God, and they don't want to be **selfless**. They are under so much pressure of poverty and unfriendly environment that they do not pay attention to the blessed word of God. They don't want to struggle/ exercise for the power of faith.

Salvation is free but for the spiritual maturity we must pay the price. But our Pastors and church leaders do not want to pay the price.

They make fun of speaking in tongues and they don't believe in the gift of prophecy healing and miracle, but these non-charismatic priests/ pastors send hundreds of emails to foreign donors and Charismatic/Pentecostal/Believers missionaries to solicit/beg /squeeze the money from them by the name of charity and for the spreading of the Gospel. These are mostly educated and holding theological degrees. But our charismatic people should discern these pastors by their fruit not by their papers of theological education. Because by bribe in Pakistan you can get these certificates from some institutes. But these Pastors or leaders can not earn the Anointing of God.

These Pastors worship their ego jealousy pride and greed. They do not have desire for the gifts of the Holy Spirit. They don't like to pay the price to be blessed spiritually. These are fair-weather friends and opportunist/cynical and crafty but very few are the true real men of God. You can only recognise them if you are blessed with the gift of discerning of spirits. Otherwise, they will exploit you and you will never know about this.

Well, I leave a one question for you.

Have you ever thought that why after supporting so many years to these Pakistani Pastors or people, but they are still beggars?

I would like to give my opinion you can send me your opinion, These Church leaders never learned to trust in the word of God they confess with their tongues, but their hearts are full of evil thoughts that's why the spiritual blessings and gifts of God are absent in their lives.

The words “selfless/self-denying/self-sacrificing” are not available in the dictionary of these Pakistani church leaders.

John 14: 17-20

¹⁷ the Spirit of truth. The world cannot accept him, because it neither sees him nor knows him. But you know him, for he lives with you and will be^[a] in you. ¹⁸ I will not leave you as orphans; I will come to you. ¹⁹ Before long,

the world will not see me anymore, but you will see me. Because I live, you also will live. ²⁰ On that day you will realize that I am in my Father, and you are in me, and I am in you.

Wrong ordination/selection of missionaries.

We are highly grateful of the missionaries who came in Pakistan to spread the Gospel.

And they did their job greatly.

So now I am going to explain what's going on in last few decades and what I have observed.

All the missionaries come in Pakistan with good intention, but some came with strange doctrines.

Many theological doctrines seminaries and so much division. Ungifted missionaries prepared ungifted nonspiritual disciples.

But they didn't know the culture and wild selfish nature of these people of Pakistan.

Missionaries spent a lot of money and had great plan to make disciples and to win the souls for Christ. But they failed to reap the harvest as compared to their sacrifices and investment for the work of God.

Some independent missionaries sending money to some people in Pakistan who make fun of speaking in tongues and they don't believe in prophecy and the baptism of the Holy Spirit. I will explain this socking issue in another book.

Missionaries must verify these intruders who sneak into the lives of the spiritual people and steal their best resources and invest on wrong selfish projects.

Missionaries and independent missionaries must inquire from the Lord before you start working with any Pakistani Pastors or son or daughter in Pakistan.

It's not enough for you if someone says to you mama and papa or can invite the audience for you.

Your organizer must be gifted with the gifts of the Holy Spirit well-seasoned and spiritually mature so you both could influence Pakistani Church spiritually not only financially.

Confirm your organizer by dreams and visions from God, because you are going to work on spiritual aims so then ordination or election of someone should be with divine intervention and instruction.

Missionaries ignore very important part in their mission.

They wanted to make disciples and want to ordain more people to join their ministry. So, in this allurements or passion they select Tom Dick and Harry to carry out the sacred duty.

Missionaries mostly ignore to inquire/ask from the Lord, that Lord please tell and guide us dear Lord who is the right person to carry on assignment of this blessed work of You Lord.

Missionaries ignore the divine connection, but they mostly take decision with the eyes' attraction.

They pick up the men who say to the missionaries Mama and Papa, who can spend their money on big meetings to assemble the people for meetings.

I ask few questions to the missionaries and to their disciples?

Where are the gifted spiritual disciples? and how many mature disciples they have prepared? Do they have supernatural active gifts in their lives?

Where is the gift of the prophecy?

Why don't they have dreams and visions?

Why mostly people in Pakistani Church are without the gifts of the Holy Spirit.

Here is a fixed diagram/picture of a Spirituality.

Our leaders ignored God's instruction, then here is our ugly beggar's nature church which is not mature nor prosperous even in 2024.

Our top leaders did not plan socially or spiritually to raise a decent spiritual generation. Because our leaders failed to set a perfect example of a mature teacher or preacher before the society and church.

Missionaries don't like to inquire from God.

And people want to become Pastors because they are mostly unskilled uneducated, and some are educated but they don't have good jobs to do. And these educated people like to do easy job. where they can get praise and full credit doing less hard work but sound income and praise.

Missionaries and local leaders of Pakistan try to make their organisation or their ministry more famous with great network with more pastors in all the cities of

Pakistan. And sometimes they do get successful to be famous and open more branches of Church/Ministry all over Pakistan.

But where are the disciples who are spiritually blessed with the gift of prophecy, word of knowledge, word of wisdom, discerning of spirits?

Pakistani Church mostly do not practice these gifts because they are very shrewd if they will give wrong words of wisdom, knowledge, or wrongly discerning of spirits and at the end if they prophecy wrongly their fake spiritual life will end.

So, they only deliver speeches without all these gifts of the Holy Spirit.

And until now Pakistani Church is a just good organizer of the programs or of big meetings, but mostly foreigner preachers come to cast out the evil spirits from that crowd of Pakistan. Some of the foreigner preachers pray for the healing of the crowd in Pakistani meetings, but our Pakistani leaders think after all these big meetings how much money they will save in their bank accounts. This is what our Pakistani church leaders are doing without spiritual maturity and without spiritual gifts. Because these Pastors are using Gospel and the Spiritual titles to be easily connected with missionaries so that they could get money.

Missionaries find the big crowd in Pakistan and Pakistani Pastors get big amount in their bank accounts.

It's going on same for some decades but that same crowd is coming and going the same. Yes, may be some people accept Jesus Christ after hearing the word of God, but I cannot say it surely. Because mostly people of Pakistan like to come to see the foreigners. If foreigner think they have come to hear the word of God that's not the complete truth. Because every corner of the Pakistan where there are Christians living few true Pastors to preach them.

leaders failed to prepare dedicated and spiritually blessed mature servants of God.

Alas! In the addiction of fame and name they ignore the most important values of spirituality.

Missionaries think the person who is saying to them Mama and Papa fit for their mission work. But in this idea, there is deception and huge mistake.

If you have money and ask to these by name whole Christians in Pakistan to become Pastor, they will agree on this.

It's very famous quotation:

For money a Pakistani can sell their mother.

Note: not all the people are in this category.

Selling of invisible honesty faith and spirituality is very easy thing for these people to do.

They will not think about it if God has called them for this designation or not, if they are qualified or not for this sacred work of God. They just need money and easy work.

That's why most of the leaders of FMI in Pakistan looted FMI and until now FMI is unable to work properly in Pakistan. The FMI selected Now a man I had a dream about him that he is a very crafty man too. He has his own Church, but his one leg is in FMI and one in his own church and he is only doing the one thing very smartly making FMI confused not to trust no one except him.

But FMI should see with spiritual eyes and with divine connection FMI should inquire and ordain/elect a spiritual leader to do the work of God in Pakistan.

Non-spiritual leaders.

As you know it's very difficult for the called and chosen ones to walk with God with pure heart.

Then what would be the result if you have a disciple like Gehazi. And a leading leader like King Saul.

The problem I have observed among Pakistani leader is great. They have the nature to build their own kingdom without doing legitimate work.

These leaders desire for that honour crown for which they have not done nothing.

The biggest problem is their evil conscience these leaders are so pride that they do not bother to fight with their own evil desires. But to destroy use others for their personal gains they think it's their spiritual fundamental right to exploit others.

To find few spiritual selfless men in Pakistan is very rare. The men who can set a perfect example of love care and spirituality in front of Church and society.

Here everyone wants to use any one for their again and name. Pastors use uneducated church people.

Only God is spare from Pakistani Pastors otherwise they are using His word as a bait/lure people and foreign missionaries to satisfy their desires.

Pakistani leaders 99% are failing in the battle of greed they are unable to repress/control their own desires.

They are unable to control their tongues and flesh.

They don't fast they don't like to pray.

They don't believe in miracles and the gift of the prophecies; these leaders know that for these gifts they must be pure hearted and genuine. They think if they will have the gift of prophecy what would the personal benefit to them nothing for them. So, they work on such projects in which they could earn so quickly. Like sending pictures of poor people to the Western people and organising big meetings for them. Its easy work just receives the money and distribute the money and then save the money from that amount and sometimes extra amount.

It's a trend in Pakistan, everyone is ready to organize meetings for foreigners why because foreigners have money which can be double in Pakistan.

It's not sin to organise the meetings and I have no objection on helping the poor.

But after decades remaining just organisers that's very bad. When the gifted people from Pakistan will emerge from Pakistani churches?

Pakistani leaders want money and big church buildings. They do not care how pathetic and miserable is their spiritual life in these splendid church buildings.

Pakistani church leaders want to be famous but if someone is more blessed and mature than them or gifted, they will be the prime enemy of that spiritual man.

In Pakistan mostly pastors do the work of God to impress the world so that they could raise more funds. More funds than more saving.

Leaders' children study in good schools or in foreign countries but the crowd which attends big church remains poor and uneducated generation after generation.

Here 99% Pastors want to be rich and wealthy, and their focus is on social life just. As they have ignored the spiritual power and spiritual insight then God also ignored them, and they are unable see in spiritual realm what is the pure perfect will of God for their life and for Pakistani church.

If Pakistani Church would be spiritually mature and gifted with the gifts of the Holy Spirit, then they would have converted millions in Pakistan.

Pakistani Church is also a ravenous wolf and disloyalty is their magnificent quality. I will explain in another book about Pakistani Church.

Before you work with any Pastor from Pakistan, please be humble and inquire first from God and then contact with the people of Pakistan to do the work of God.

No desire for Spiritual gifts/power.

Jeremiah 17:9-10

⁹ The heart is deceitful above all things
and beyond cure.

Who can understand it?

¹⁰ "I the LORD search the heart
and examine the mind,
to reward each person according to their conduct,
according to what their deeds deserve."

There are some Theological Seminaries in Pakistan which are giving such kind of teaching to the new generation that's like pandemic.

Mostly Theologian and Principle and teachers in these seminaries are full of pride because they have permanent salaries. They have good houses and good post and power in seminaries.

They are not accountable to no one. These professors or teachers in seminaries teach what they have in their mind according to their ego and pride. Many of them deny the miracle and signs and wonders and speaking in tongues.

In Pakistan mostly the seminary graduates are ungifted as compared to a normal believer. Normal believers have a faith but not so much head knowledge to be pride.

Because these graduates have certificates and degrees to reject the simple life of spirituality.

Mostly these seminary graduates spend their whole life worshiping their degrees. They don't miss not a single opportunity to boast about their education and degrees.

They think they have these papers from seminaries now they are complete, and they don't guidance of the Holy Spirit.

And many seminaries are against the teaching of the Holy Spirit.

But here again I would like to say that many of our missionaries and independent missionaries are sending millions of dollars to these seminaries' graduates.

Because when these by name Padri/ Priest or Pastor doctor professor teacher and theologian need money from Charismatic Christians they will pretend to be docile dove or sweet puppy who say papa papa or mama mama. Well as they receive the money after that they become monsters and behave very badly in the kingdom of God. Now they don't have nothing spiritually something unique but only money and mama and papa to back up in social life. But that mama and papa get satisfied by seeing the crowd in meetings. they never dare to scrutinize the life of their puppy like son or daughter that what is the level of their children in spirituality.

Because missionaries see some theological papers in their hands of these intruders but not their spirituality. Here on this point missionaries make very big mistake by accepting these predators into their spiritual realm.

Missionaries must not be satisfied with the education or degrees of someone, missionaries must pray to God that who is the right person for the work of God.

They must inquire from God it doesn't matter how many degrees someone has.

These educated degree holders are mostly without love and spiritual gifts.

They lead their life to control the lives of the simple believers and they prepare and teach spirituality which they have learned from their nonspiritual principle or leaders.

Here in Pakistan if some has money and education then they think they are the best and what they wish that should be taught to and preached.

Well devil attacked on spirituality not by strangers, but some people gave themselves to be the agent of devil to teach the people in a way, so they don't have desire for the spiritual gifts/power.

Here people choose the teacher from whom they could get some social advantages not the blessings of spirituality. And they reject the spiritual leaders if they are not educated like them or rich.

That's why this Pakistani generation is without the gifts of the Holy Spirit even after eating some many dollars and Euros and Pounds etc from many countries.

1 Corinthians 12 and chapter 14.

These people are spiritually lazy and are coward they have no desire to be serious and committed with God. They don't want to pay the price for spirituality and maturity in spiritual life.

It's their slogan. not everyone is special to be used by God. Because these lazy people don't have courage to pay the price or exercise the faith and obedience with God. That is why they put down all the armour of spirituality and want to lead easy life with dull mind.

If you do not have desire for the spiritual gifts, then God is not in so much hurry or overly gracious to you that he will lavish on you the precious power of the spirituality. while you are practicing fornication, and you are abusive alcoholic adulterer and in you there are many other kinds of immoralities and misbehaving habits and if you have envy and malice in your heart then never imagine that you will ever receive the power of God to heal cure and prophecy correctly.

In Pakistan all the Church have no passion to prophecy for the encouragement, strength, and comfort of the Church. Because they are dying to get encouragement, strength, and comfort only own for their own lives. These people think why they should give sacrifices for the betterment of others.

Moral decadence in Pakistani Church.

In Pakistan it's a very common sin to scandalize each other. They make false stories about each other.

I have written one stanza.

Pakistani Christians fear of one thing more than anything.

If someone will be more blessed or successful than them.

Proverbs 6: 16-19

- ¹⁶ There are six things the LORD hates,
seven that are detestable to him:
¹⁷ haughty eyes,
a lying tongue,
hands that shed innocent blood,
¹⁸ a heart that devises wicked schemes,
feet that are quick to rush into evil,
¹⁹ a false witness who pours out lies
and a person who stirs up conflict in the community.

Selfishness rules on disobedient hearts

Our Church completely violate these fundamental commandments of God.

All these sins are common in the lives of the believers of Pakistan, and they are so arrogant and prideful that they never ever want to be humble to confess their sins and to be new creation or new person in Christ.

In Pakistan the Church leaders are the smart enough to hide their sinful nature, but they break the laws of God on regular basis.

That's the reason they are poor in social life and in spiritual life too. They are mostly without the fruit of the Holy Spirit.

These people ignore the meekness and welcome all kinds of evils thoughts and destructive schemes to destroy their spiritual life.

That's why there are a few people who are spiritually strong and humble and truly fear God. So, these are the simple people who are winning souls behind the screen.

Because these people want to do everything according to the word of God, and they have learned to control their body and evil desires. Because of these few people the light of spirituality enlightening the dead consciences many lost souls.

I would like to request to all the brothers and sisters around the world, please pray to God and find these men of God by praying and fasting and meet with these people as Ananias met with Soul (Acts 9) and as Peter met with Cornillius (Acts 10)

I have so much to inform about Pakistani Church and I will keep telling more in next book.

I believe the reference I have given about moral decadence, it's just an introduction of their moral/social decadence. I have some more real-life stories to tell you so that you could understand the reason behind the spiritual blindness of the Pakistani Church.

Thank God I am not living in Pakistan otherwise I don't know what they would do with me after reading this book. I am going to publish this book in Urdu language too.

One true story:

Once I helped few pastors because I thought these are the men of God. And when on regular basis I could not help them.

And they spread the bad words about me by making a false story. That I am getting their salaries from the Greece Church but not giving to these greedy Pastors.

I was so much surprized how someone can be so evil/wicked. Well, I again confronted/challenged them, and I told these pastors if prove your story wrong then what would be your punishment just tell me?

Because Church from the Greece never sent me salaries of Pastors.

But alas! Until now the bad words about my character again had been spread by these wicked Pastors in my town. And then one Pastor Mina called me and abused me and threatened.

I did nothing but prayed and thank God now I am in new country with new life experiences.

Unfaithful disciples and disloyal/crafty leaders.

In Pakistan there are very few people who are humble enough to accept someone in their lives as a teacher.

Mostly new believers make their mind to be a disciple of someone by whom they can get some benefits.

But these new believers are very complicated because these are Pakistani believers.

These believers have some requirements to accept someone in their lives as a teacher.

Here is the detail of the disciples' requirements from their teacher.

Disciples see how much social benefits they can get from the teacher.

Teacher should be willing to go with them for shopping anywhere they wish, teacher should be able to provide money anytime when they wish. Teacher must be able to guide them about visa process if they wish to go to abroad. Because mostly Pakistani church leaders and church wants to migrate abroad.

I was Pastor when I was very young, more than devil my church members made my life hectic/busy that I had no time to study or pray. Someone from church member is calling me for here there for shopping to go with them. They spoiled all my peace, and I could not give my exams properly. One man had a little shop of selling vegetables he asks me sit at his shop and keep sharing the word of God. Not once in a week but almost every day.

They ask for money they ask for my motorcycle. Anything valuable they will keep eyes on that. Because they think they are giving few pennies to Pastor and now they have full authorities to use him. Well thank God I managed very well that I became more independent. Because very quickly I realized that what is the mindset of these selfish people.

If someone gives me 500 Pakistani Rupees offering after few days, he will demand from me to give him 5000. PKR As a loan well for them I was like a bank.

If they give you few pennies and they desire to listen the word of God according to their desire. The Pastors who are depended on the funds or the offering of the Church they are like mute and hypnotized/controlled by others. For few pennies and because of their unskilled and lazy nature they compromise the word of God. These Pastors remain unblessed and their church also and even after decades there is no change and no spiritual maturity.

Salvation is free, but for the spiritual maturity we must pay the price.

Well, they want a teacher plus servant.

If the pastor fails to fulfil the desires of his church the church has so many options to invite and keep new Pastor. So out of thousands only few Pastors have dare and courage to stand firm for the work of God. Otherwise mostly Pastors become puppet of the church or church committee. In this way you have learned that Pakistani disciples are unfaithful, and they are mostly coveting for the social benefits not for the spirituality.

These are few very common reasons I have told you. How much they get involved in personal and private sins that's a totally another topic. How they disobey the major commandments of God it needs a complete one more book specially on this topic.

The major focus of the Pakistani Church is to make their social life and the church is so much immature that they deliberately don't want to be rectified/corrected by no one.

Now let's talk about Teachers.

If few are educated, they don't have prayer life and no fasting and mostly educated preachers make fun of simple under-educated spiritual men of God.

That's why educated Pastors are without real spiritual insight and power to change the nations by the guidance of the Holy Spirit. Here I would like to mention also about under-educated teachers or gurus/sage they also don't like to learn from no one if they had performed any miracle I mean if God used them with healing power. These under-educated begin to glorify themselves not God.

There are pride saturated gurus and teachers. And it's very difficult to teach them. They are not teachable persons these are narrow minded rigid/inflexible.

Some denominations politely deny the miracles and they don't believe the teaching of repentance they don't believe the teaching of the Holy Spirit. These denomination or Churches don't want to believe in the teaching of the gifts of the Holy Spirit.

These Pastors know very well that for these blessings they must be very honest and pure hearted. So, they that don't go on that track. They use the internet to convince the foreigners to organize the meetings and by organizing these meetings they get money and as they have money and resources then they don't need the gifts of the Holy Spirit.

And again, our missionaries to Pakistan think that they are doing amazing job by attracting a huge crowd.

I beg to the missionaries please repent of your experienced eyes, bow down before God and ask to God that who is the true man of God in Pakistan with whom I am going to collaborate/team up for the sacred work of you O Lord.

Even though Prophet Samuel thought with his experience that God has chosen someone taller again. But as he keeps asking to God then he learned that God has called the youngest one David out the taller handsome and great in stature sons of Jesse.

Read 1 Samuel 16.

We must be depended on the instructions and indications of God; we must never apply the power of our experience for the sacred decisions. In another book I have mentioned that how a teenage boy made fool to a very experienced missionary.

If you are an experienced missionary or Pastor or a church leader or a president of your ministry. You still need to be humble before God to inquire from the Lord. Otherwise, you will see people will come in your church as converted Christians, but they are intruders just to steal the money of God from you.

And I know about such people who claim to be converted Christians, but they are immature stubborn rude and without the fruit and the gifts of the Holy Spirit. But mega churches lavishing money on them that they are converted Christians. And these converted Christians portraying the ugly picture of true humble Christians just to get extra favour in the eyes of their donors.

So here is the only problem, that our experienced leaders don't want to edit/amend their egoistic or self-made decisions or laws.

Please be humble and give opportunities to new mature Christians about whom God guide you through dreams and visions as God guided to Peter for Cornelius.

In Peter's mind was something else and in the mind of Ananias was fear but as they submitted themselves before the will of God, then began the new era of Spirituality and of the Church.

Peter and Ananias were thinking according to the situation and according to the customs. As soon as they obeyed God's decision and changed their decisions then they found something amazing in the life of the Church.

Don't be introverted/shy to change the decisions to make happy God, don't be afraid to say no to one person and yes to new person but according to the will of God.

If you have courage to amend/change your decisions, then you will see the change and true conversions and true disciples in Pakistan. Well trained disciples with the mind of Christ. Submissive to the Holy Spirit.

I request to the missionaries please spy on your director pastor leader in Pakistan cross check their prophecies. And see their spiritual growth which can be achieved only by holiness and with pure heart not with money.

Building of a Maga Church building and opening of new tv channels is not enough if the Pakistani leader has heart like Gehazi.

It's not the big problem that if the church is gathering under the tents but the problem is this if the leader's heart is pure and devoted or not?

I warn you that you can see that Gehazi only then, when you have spiritual insight like Elisha.

Pease work with Pakistani church leaders with the instruction of God not by the inspiration of your heart.

Corruption at the time of Jesus Christ

Matthew 15:14

Let them alone; they are blind guides of the blind. And if a blind man guides a blind man, both will fall into a pit.”

Selfishness rules on disobedient hearts

Ungrateful heart is an agent of violence.

As Jesus Christ exposed the hypocrisy of the spiritual leaders. They were without pure spiritual power of God. They were full of greed and giving the teaching to people so they could build their own empire of carnality. The teachers of the law mostly were corrupt, and they were not spiritually honest nor strong to lead the people as a true man of God with spiritual eyes and spiritual insight. Like Balaam they were wolfish/greedy for big payment and like Sodom and Gomorrah they were blind with carnal lustful desires.

At that time most of the leaders were at their best to play with people like a conman/swindler.

They were using the God`s law to manipulate the people and people were so desperate for the arrival of the true leader. But no one was perfect to guide them.

People of Israel were also well focused on only on their social life. Life under the rule of Roman Empire was very miserable for all the nation of Israel.

People wanted to use leaders and leaders wanted to use people to make their personal life more comfortable.

But both the poor and rich failed educated and unschooled failed because they killed prophets and made fun of the prophets of God. The problem was that most of the people at that time were corrupt, and they were oppressing and sabotaging each other by disrespecting God`s righteous law.

Well how much the people were corrupt and pride at that time that even our Lord Jesus Christ at that time to perform amazing miracles, but these people were so pride and stubborn that most of them chose to kill Jesus Christ. The reason was this people wanted to use leaders for their personal desires and leaders also were using and exploiting people for the personal gains.

And people were so blind in their selfishness that they could not recognise the Saviour of the world. Jesus Christ exposed their hypocritic teachings.

That which makes unclean.

Matthew 15

¹ Then some Pharisees and teachers of the law came to Jesus from Jerusalem and asked, ² "Why do your disciples break the tradition of the elders? They don't wash their hands before they eat!"

³ Jesus replied, "And why do you break the command of God for the sake of your tradition? ⁴ For God said, 'Honor your father and mother'[Ⓜ] and 'Anyone who curses their father or mother is to be put to death.'[Ⓜ] ⁵ But you say that if anyone declares that what might have been used to help their father or mother is 'devoted to God,' ⁶ they are not to 'honor their father or mother' with it. Thus you nullify the word of God for the sake of your tradition. ⁷ You hypocrites! Isaiah was right when he prophesied about you:

⁸ "These people honor me with their lips,
but their hearts are far from me.

⁹ They worship me in vain;
their teachings are merely human rules.'[Ⓜ]"

¹⁰ Jesus called the crowd to him and said, "Listen and understand. ¹¹ What goes into someone's mouth does not defile them, but what comes out of their mouth, that is what defiles them."

¹² Then the disciples came to him and asked, "Do you know that the Pharisees were offended when they heard this?"

¹³ He replied, "Every plant that my heavenly Father has not planted will be pulled up by the roots. ¹⁴ Leave them; they are blind guides.[Ⓜ] If the blind lead the blind, both will fall into a pit."

¹⁵ Peter said, "Explain the parable to us."

¹⁶ "Are you still so dull?" Jesus asked them. ¹⁷ "Don't you see that whatever enters the mouth goes into the stomach and then out of the body? ¹⁸ But the things that come out of a person's mouth come from the heart, and these defile them. ¹⁹ For out of the heart come evil thoughts—murder, adultery, sexual immorality, theft, false testimony, slander. ²⁰ These are what defile a person; but eating with unwashed hands does not defile them."

People rejected spirituality.

We see at the end when our Lord Jesus Christ began to preach about true spirituality. And Lord Jesus Christ told the true value of eternal life most of them could not understand and they never believed that. Even though our Lord Jesus Christ lead a sinless perfect life.

But they did not believe in the blessed teaching of Lord Jesus Christ. Because the evil and wild self-centred nature made them blind spiritual to discern with righteous heart. And they thought about Jesus Christ that they cannot use him as King that's why they demanded for his killing and crucifixion.

Without spirituality and spiritual wisdom and holiness people become more dedicated slave to the worldly life.

As soon as people lose interest in spirituality the flesh begun to rule on their lives. And that's the point where all kinds of evil and violence emerges as devouring force to wipe out all the good ethical and spiritual abilities from the beautiful character of human beings.

Ungrateful heart is an agent of violence.

Leaders' corruption proofs at the time of Jesus Christ

A Warning Against Hypocrisy

23 Then Jesus said to the crowds and to his disciples: ² "The teachers of the law and the Pharisees sit in Moses' seat. ³ So you must be careful to do everything they tell you. But do not do what they do, for they do not practice what they preach. ⁴ They tie up heavy, cumbersome loads and put them on other people's shoulders, but they themselves are not willing to lift a finger to move them.

⁵ "Everything they do is done for people to see: They make their phylacteries^[a] wide and the tassels on their garments long; ⁶ they love the place of honor at banquets and the most important seats in the synagogues; ⁷ they love to be greeted with respect in the marketplaces and to be called 'Rabbi' by others.

⁸ "But you are not to be called 'Rabbi,' for you have one Teacher, and you are all brothers. ⁹ And do not call anyone on earth 'father,' for you have one Father, and he is in heaven. ¹⁰ Nor are you to be called instructors, for you have one Instructor, the Messiah. ¹¹ The greatest among you will be your servant. ¹² For those who exalt themselves will be humbled, and those who humble themselves will be exalted.

Seven Woes on the Teachers of the Law and the Pharisees

¹³ "Woe to you, teachers of the law and Pharisees, you hypocrites! You shut the door of the kingdom of heaven in people's faces. You yourselves do not enter, nor will you let those enter who are trying to. ^[14] ^[b]

¹⁵ "Woe to you, teachers of the law and Pharisees, you hypocrites! You travel over land and sea to win a single convert, and when you have succeeded, you make them twice as much a child of hell as you are.

¹⁶ "Woe to you, blind guides! You say, 'If anyone swears by the temple, it means nothing; but anyone who swears by the gold of the temple is bound by that oath.' ¹⁷ You blind fools! Which is greater: the gold, or the temple that makes the gold sacred? ¹⁸ You also say, 'If anyone swears by the altar, it means nothing; but anyone who swears by the gift on the altar is bound by that oath.' ¹⁹ You blind men! Which is greater: the gift, or the altar that makes the gift sacred? ²⁰ Therefore, anyone who swears by the altar swears by it and by everything on it. ²¹ And anyone who swears by the temple swears by it and by the one who dwells in it. ²² And anyone who swears by heaven swears by God's throne and by the one who sits on it.

²³ "Woe to you, teachers of the law and Pharisees, you hypocrites! You give a tenth of your spices—mint, dill and cumin. But you have neglected the more important matters of the law—justice, mercy and faithfulness. You should have practiced the latter, without neglecting the former. ²⁴ You blind guides! You strain out a gnat but swallow a camel.

²⁵ "Woe to you, teachers of the law and Pharisees, you hypocrites! You clean the outside of the cup and dish, but inside they are full of greed and self-indulgence. ²⁶ Blind Pharisee! First clean the inside of the cup and dish, and then the outside also will be clean.

²⁷ "Woe to you, teachers of the law and Pharisees, you hypocrites! You are like white-washed tombs, which look beautiful on the outside but on the inside are full of the bones of the dead and everything unclean. ²⁸ In the same way, on the outside you appear to people as righteous but on the inside you are full of hypocrisy and wickedness.

²⁹ "Woe to you, teachers of the law and Pharisees, you hypocrites! You build tombs for the prophets and decorate the graves of the righteous. ³⁰ And you say, 'If we had lived in the days of our ancestors, we would not have taken part with them in shedding the blood of the prophets.' ³¹ So you testify against yourselves that you are the descendants of those who murdered the prophets. ³² Go ahead, then, and complete what your ancestors started!

³³ "You snakes! You brood of vipers! How will you escape being condemned to hell? ³⁴ Therefore I am sending you prophets and sages and teachers. Some of them you will kill and crucify; others you will flog in your synagogues and pursue from town to town. ³⁵ And so upon you will come all the righteous blood that has been shed on earth, from the blood of righteous Abel to the blood of Zechariah son of Berekiah, whom you murdered between the temple and the altar. ³⁶ Truly I tell you, all this will come on this generation.

³⁷ "Jerusalem, Jerusalem, you who kill the prophets and stone those sent to you, how often I have longed to gather your children together, as a hen gathers her chicks under her wings, and you were not willing. ³⁸ Look, your house is left to you desolate. ³⁹ For I tell you, you will not see me again until you say, 'Blessed is he who comes in the name of the Lord.'"

Jesus Christ at the Temple

Matthew 21

¹² Jesus entered the temple courts and drove out all who were buying and selling there. He overturned the tables of the money changers and the benches of those selling doves. ¹³“It is written,” he said to them, “My house will be called a house of prayer, but you are making it ‘a den of robbers.

This verse is explaining to us very clearly that how the leadership was involved in corruption, and they had ignored the spiritual nature of God`s law. The leaders were pride not teachable. It was impossible for a normal person to teach these rogues/ slickers anything about the righteous will of God. The leaders of that time

Now our body is the Temple of God.

1 Corinthians 3:16

Do you not know that you are God's temple and that God's Spirit dwells in you?

**We have few Biblical examples:
Balaam became blind with his greed.**

Numbers 22

Even a donkey was debating with Balaam and donkey's eyes were opened to see in spiritual realm.

Because donkey was innocent in this incident, but Balaam was so enticed by the big payment to curse the Israelites.

So, he became blind spiritually and earned a very bad name in the history of the Bible.

**People of Sodom and Gomorrah became blind because of their pervert
behaviour and lust.**

Genesis 19:11

¹¹ Then they struck the men who were at the door of the house, young and old, with blindness so that they could not find the door.

2 Kings 6

In this chapter we see the man of God Elisha opened the spiritual eyes of his servant so that he could see in spiritual realm.

On the other hands Elisha prayed for the blindness of the **Syrians army**.

Samson

Judges 16:21-31

²¹ Then the Philistines seized him, gouged out his eyes and took him down to Gaza. Binding him with bronze shackles, they set him to grinding grain in the prison. ²² But the hair on his head began to grow again after it had been shaved.

There is always a reason if someone gets the spiritual insight and if someone becomes blind
spiritually and then physically.

The people who are not interested and not paying the attention in the gifts of the Holy Spirit written in

Personal Testimonies of Price I Paid

Fasting

All most seven years I fasted for the spiritual gifts and my most favourite was dreams and visions and prophecy.

Well how did I fast?

I mostly kept fasting like this I started fasting since evening meal until 2pm and mostly three fasting in a one week.

I keep fasting almost seven years like this.

Then I was guided through dream that I must fast for forty days for Islamabad (it's a capital city of Pakistan)

As soon as I finished my forty days fasting for this city then Lord guided me again forty days fasting for another city. I prayed to God that please I am feeling very weak now I would like to fast from evening dinner to the next day 2:00 pm and God agreed on that, in the Bible we read as God asked to prophet Ezekiel to cook food on human excrement he requested to God and his request was granted. So, in some cases you can request to God. **Ezekiel 4: 12-17** and I believe God will grant your legit request.

I was surprised how I finished forty days fasting and that night God gave me command for another city. My gums got shrink and receded and I saw the gap between my teeth was more because my gums dried mush because of thirst and hunger.

But after this long period of time without any friendly environment I was spiritually stronger, and my eyes see more in spiritual realm. Then I was commanded about cities to preach there. I have written a detailed book about all those cities where I went and how was the spiritual experience there.

Prayer

My friends me spent many hours praying in tongues.

Once I remember I paid all the expenses to pray three days in a house of our friend in another city. We three days prayed their continually. And we had spiritual experiences and empowered by the presence and power of God.

As I paid the all the expenses I had not much money, but I gave by faith whatsoever I had because we were going to pray for three days.

Once I went into different cities of Pakistan according to the instructions of the God. I took no offering nor any money from no one. Because I was directed by Holy Spirit that I must not accept any offering from those cities and spent what I had.

Selfishness rules on disobedient hearts

Wicked/unrighteous desires of heart blind the spiritual insight.

Ungrateful heart is an agent of violence.

Holiness

Believing in Christ and repentance is the most important and after that maintaining of your holiness in the fear of God is the most import.

Learn to control your boy mind and tongue.

Rebuke the evil thoughts and create and imagine the good thoughts the thoughts of goodness love care gentleness sacrifice purity generosity and all the good deeds which are mentioned in the Bible.

Submit yourself to the Holy Spirit. And bring forth/produce the fruit of the Holy Spirit and then have the activated gifts of the Holy Spirit in life.

You can be blind in your stubbornness, but God can never be so much blind even in his kindness or in love to give you any spiritual gift or power.

God is the God of justice and of holiness and there is no favouritism in God.

A man can exploit a man but never ever could outsmart/outwit/defeat God.

Hebrews 12:14

¹⁴ Make every effort to live in peace with everyone and to be holy; without holiness no one will see the Lord.
